les Division 2
What?

They're freezing the release?
For the game that was so close to completion?
That's right.
THUD
Personally,
The executives decided that it was too "difficult".
PISSED
I REALLY WISH THEY DIDN'T FREEZE IT THAT EASILY, YOU KNOW?
NISHINA-SAN, YOUR FACE, YOUR FACE!
You're ruining your beauty!

So hire a beta tester,
We're thinking of retesting the game's level of difficulty.
Asahina-kun and Kazamatsuri-kun, help think of some strategies too.
I'm gonna go smoke one.
That's what they said.
.....
Well, even if you say that.

I'm not feeling too good about the response, you know?
Yeah, I guess.
Even if it is for business.
I tried playing that game myself, but it was ultra hard.
I'm telling ya, there ain't nobody alive to clear it.
Speaking of which...
I promised I'd give Ema a sample.
Ema? Who's that?
Did you get a girlfriend?
No, She's my younger sister.
Huh?

Is she cute? Is your sis cute?
Asahina, you had a younger sister?
Didn't you say all 13 of you siblings were male?
I'm surpised you remember.
Most would be suprised to hear about 13 children,
It's pretty hard to forget
Well, rather than had one,
?
It's more like I gained one.

Ema's

From my mother's spouse.

I only found that out at the wedding ceremony.
We've gained a little sister!
The only girl in the group,
Didn't we tell you?
No, you didn't.
Huh?
What?
Weren't you two twins!? Tsubaki-san? Azusa-san?
We're triplets!
That hurts, Tsubaki.
Azusa and I are from the same egg,

And Natsume here is from another.
A different egg
I see.
Egg
Egg
T
A
N
Born together
It looks something like this.
Go on, introduce yourself.
Huh?
Isn't this a bad time to do it?
Natsume.
.....

I'm Natsume, it's a pleasure to meet you.
Ye-
Yes,
Likewise.
What is this, work?
A business card.
Oh,
?
Natsume -san,
You work at a video game company?
Yeah.
I like the games this company makes, I own quite a few myself!
Happy?
You like video games?
Do you want stuff like demos then?
Huh?

ARE YOU SURE!?
Haha
She seemed pretty excited.
Smirking about some memories, What a perv, Asahina.
Shut up
Did they say she was in high school?
My first impression of her,

Her playful appearance was age appropriate.
Maybe even a little childish.
Perhaps it was the dress that made her seem more mature.
But beyond that,
Kaza-matsuri,
A beta tester, huh?

I'm heading out for a bit, could you pass me that proble-matic game's sample disk?
Sure.
Here.
Who are you giving it to?
An excellent beta tester candidate.

Subaru.

Is he heading out to do some road work?
Suba-
.....
Maybe I shouldn't.

Natsume?
What are you doing, standing there?
You look suspicious, you know?
Azusa,
You saved me, I forgot my keys.
You could've asked us to open the door through the intercom.
No one answered.
You should've told us you were coming in advance—
You always forget things here and there, Natsume.
Click...

That reminds me,
Subaru just headed out, did you talk to him?
No...
I thought I'd be getting in his way,
So I didn't call out.
Hmm...
Well,
There're lots of things between even siblings, huh?
So,
What brings you here today?
It's already been half a year since you were last home.
Yeah.

This game sample,
Rustle
I thought I'd give it to Ema.
You came all the way here for that...?
Not really.
I just happened to be around the area.
She told us she liked video games at the wedding, remember?
Yeah, did she mention that?
.....
What's with you?
And the question
Nothing, really.

I was just thinking about how you already acknowledge her as a younger sister despite the fact that you've only known her for a single day.
What do you mean?
That's the truth, isn't it?
I see how it is...
But,
I don't hate that side of you, Natsume.

If you were to become my rival,
Then that's a different story.
I'm already caught up in a confusing conflict.
Rival?
Conflict?
What on Earth are you talking abou-
Nevermind that,

Aren't you getting off the elevator?
We've been here for a while you know?
I have no busines here if she's out,
Wait...
Could you give her the disk for me?
I'll drop by again when I feel like it.
Couldn't you have given me that back at the entrance?
You didn't have to come up...
Natsume

Few days later

Beep
Your Message Has Been Sent.
Meet me in Kagurasaka's Café Saryou at 4 PM.
Hey,

Natsume-san!
Over here!
RATTLE
What an enthusiastic welcome.
?
Did you wait long?
No,
Not at all,
It's just that the other customers...
Housewife and OL gossip huh?
Since I'm a high school student and I was sitting alone
Whisper Whisper
Aha
They're so cute!
Come to think of it,
Hah.

Long ago, something like this also happened with Subaru.
He was pretty angry
Natsu-ni!! You idiot!!!! Why did you pick such a stylish café to meet at!? I came in wearing a jersey here!!! Think about how I feel!!!!
DON'T YOU GET IT? THIS IS OBVIOUSLY NOT A PLACE 2 MEN WOULD GO TO!!!
I feel so bad for him.
But you even go to places like cafés together, you guys must get along well!
I guess...
We pass by each other a lot around here,
But we rarely talk.
Speaking of which,
Did something happen to Subaru?
Huh?

That guy,
I caught a glimpse of him by chance the other day,
He's been missing shots during matches, and got himself taken off the front line.
He's been a bit strange lately,
Do you have any ideas why?
I see.
?
...No...
Nothing in particular.

That's right.
We haven't ordered yet, have we?
What will you have?
Hmm...
I'll have the Lemon Tea.
That's all?
Are you sure you don't want anything else?
Oh,
I didn't bring much with me..
Ha ha
What?
Don't worry ab-
Ah, but!

I still have enough for your part!
!?
Huh?
You,
You were,
Out of your own pocket?
Going to pay for my part too?
?
But,
I was the one who asked you to meet me...
Thanks for the thought,

I'll pay this time, so pick anything you like.
Eh?
But that's...
C'mon think about it.
You're a High School Girl, paying for the meal of a Grown Man
Doesn't sound right, does it?
I'm sorry, that was rude of me, wasn't it?
Sigh
It's much better than expecting me to pay from the start,
Just so you know.
But for today,

At least let me act like an older brother.
Alright,

I'll take your word for it.
Well then, here's today's main dish, the game's strategy flowchart
Thud
Whoa..!

Hmm...
Now that she's wearing her uniform,
She really does look like a normal high school student.
What a difference a change of clothes and hairstyle makes,
I suppose you could call that a women's speciality.
But,

Her expression while she's focused on games,
Never seems to change.
A little sister, huh?

Bzz Bzz
Oh,
Sorry, I'm out of time, The office is calling.
Okay.
Whoa! It's getting dark out already.
Sunset
Rattle
Thank you very much for today.
Sure thing.

The game's a bit difficult, but it's very interesting.
I'll be looking foward,
To it's release!
Yeah,
We'll do our best.
Ema,
It's a little cold, huh?

I feel cold just by looking at you.
Huh?
...But...
Just take it.
.....
KEEP THE SCARF.

IT'S REALLY WARM!
Natsume -san?
?
...Oh...

No, it's nothing...
It's not bad,

Having a little sister.

Chapter 2

Agent Of Change Translations!

Tokyo's Kudo manages to save the day with a 25-point rebound closing the match with a 42-point win.
Meiji
Unfortunetely it seems that the reigning champions of Meiji are in worse shape than they ever were before. Their defenses are amateurish and their offense has taken a beating. PG's Eto is still recovering from his injuries, and SG's Asahina seems to be in a slump.
We look forward to their recovery next match.
What is Subaru doing...?
'Says he's in a slump.

Great, see ya there.
...So forceful...
Sakura viewing...

Don't drink my sake!!!!!!!
Are you talking to meeeeeee!?
I already went a few days ago with those monsters from work, and it was litterally hell on Earth.
Sigh...
I want to go home...
Natsume,
Over here

You're late.
Looks like you've already got the party rolling.
Wouldn't you guys do just fine without me?
No way,
You should at least try to attend our family gatherings.
You've got that lone wolf personality and you're living alone
Besides,

Didn't you,
Want to see her too?
Huh?
La La La
What are you talking-

Thank you, ladies!
Yeah!
Haha

Well then, I suppose I'll sing a song!
That Tsubaki, he'll be rowdy no matter how old he gets.
Oh, Tsubaki
He's a party animal, huh?
.....

There he goes about Ema again.
I gave her the demo,
Texted her.
She also went along on that ski trip with everyone else earlier this year.
That's really all.
What was Azusa trying to say...?
Natsume -san.

Ema.
Good evening.
When did you get here?
I didn't notice you at all!
Yeah, I just got here.
So you haven't had anything yet, right?
I actually helped with preparing tonight's bento,
Here you go.
Thanks.

Stare...
Hah,
Why're looking so worried?
It's good,
Honestly

THANK GOD!
That's a relief!
Well, it was of Ukyo-san's work so,
Of course it'd be good, right?
Rustle
Ema,

Subaru?
Yes?
I'd...
Like a quick word.
Do you have a moment?

Wonder what that's about...
FUCK YOU!!

Blah

C'mon you two
The young ones sure are energetic
What is it *now*?
Yusuke bumped into Futo and spilled the juice.
So stupid, right?
Hika-nii... you're enjoying this, aren't you?
Was it obvious?
Sigh
That's enough, Futo, Yusuke.
Peacemaking? How noble of you, Natsume-kun!

You're bothering everyone around us.
Tell that to this oaf.
I'm the victim here.
WHAT'D YOU CALL ME!?
FUTO,

FWIP!
YOU LIL' BITCH!
Huh?
What?
Eh?

Hah.
Wow.

Sigh...
Jeez,
HAVE YOU COOLED YOUR HEADS NOW?
...Fed up...
This sucks

Are you alright? Natsume -san?
Tsk tsk
Hurry up and climb out, this is an embar -rassment.
Here,
Though, it may not be much help...
Thanks.
You're done talking to Subaru?
What was it about?
Huh?

Oh, No,
It was nothing really...

Natsume,
Why don't you come take a shower at our place?
You're going to catch a cold.

Natsume -san...
Are you here alone?
You...

The thing is...

He said he'd like me to watch this match because it's important.
Subaru -san invited me...
So that's why I'm...

I was debating whether or not to greet Subaru-san...
But,
You know, their meetings and stuff would probably take a while.
Oh,
That's true.
Just leave him a text if it bugs you.
You can talk to him all you want at home
You're right.
I'll leave him a text

It seems like it's about to rain.
Shall we hurry to the station?
Okay.
Kadobashi Suzuki
It's a call from work...
Oh,
I'll wait here then.
Sorry.

Hello?
This is Suzuki from Kado-bashi,
We've been greatly in your care.
Yes, thank you for your hard work.
Subaru?

Therefore please excuse my request,
Would it be possible to change the time for our meeting tonight from 5 pm to 7 pm?
No problem, I don't mind.
What's he doing?

Gasp!
...Asahina -san?

Please excuse me,
I will contact you again at 7.
Yes,
I look forward to working with you too.

HEY, SUBARU.

NATSU -NII...!?
What do you think you're doing here,

I don't know whether or not you're excited...

Are you an idiot?
I was just... Thinking about somethings.
OH! I KNOW!! IT MUST BE ABOUT EMA-CHAN!!
Huh?
What?
Was I right?
For real?
Ema-chan? Who's that?
What'cha talking about?
OH!
You know, the girl who kept the seat last time.
Tap Tap Tap
SO? WHAT ABOUT YOUR LIL'SIS?
These two... Seriously...

...Nothing, it's not really a big deal but,
She seemed to get along great with one of my younger brothers.
So I asked her if they were dating,
She told me they weren't and she seemed a bit offended...
Dude,
That's totally your fault.
Really...?
Yeah!
Ema-chan's at the really sensitive age.
Delicate topics like those shouldn't be asked.
Hmm...

Misunder-stand...?
Maybe your sister didn't want you to misunderstand anything?
It could've been that.
Well,
It's alright if you didn't catch that.
Asahina-kun's actually quite dense, huh?
NOW, BACK TO WORK!
You'll have to work overtime if you slack off!
Yes m'am.
She didn't want to be misunder-stood?

C'mon Tsubaki, Azusa.
I'll feed you guys as soon as I'm done with the laundry.

This is all I've been able to think about lately.

Oh,
Not at all.
I volunteered to help.
You guys will be taking me to your villa too.
So I want to thank you all for that.
You don't need to thank us for these things...
It's only natural for us to take you along.

Because we're family.

Chapter 4

Agent Of Change Translations!

Blue sea,
White sand!
And,

What are you doing here?
...You know,

WE NEED ALL THE HELP WE CAN GET!!!!
Back at work, we're smack dab in the middle of sales season in July.
"I won't be able to stop Tsubaki alone if he goes on a rampage."
I came all the way out here to this deserted island only because Azusa said tha-
Hey!
No fair, Azusa!
You're hogging Ema!
Let me finish!
Sheesh
Eh
You're the one who ran off on your own, Tsubaki.

You're not kid anymore you know.
But it's an overnight trip, it'll be over in a flash if you space out!
But that's very like you, Tsubaki-san
Tsubaki's not hiding it at all,
How he feels about Erna.
And he's not alone either...

Not to mention,

But...

If Ema accepts...
Tsubaki's
Azusa's
Subaru's
What would happen if Ema were to accept one of their feelings...?
JOLT

What the hell am I thinking?
Besides, siblings are...
Since we're here Ema, you should come take a dip too!
Hey,
I wanna see you in your swim -suit!
Oh but,
I didn't bring my swimsuit...
Since we were on tight a schedule...
No need to worry!
I knew this would happen!

SO I BROUGHT ONE FOR YOU!!!
TA-DA~
Ehh...
Even I have no comment about this, Tsubaki...
Where did you pull that out from?
The size fits me perfectly
I KNOW YOU WANNA SEE HER IN THAT TOO, AZUSA!
Awww c'mon
WH-
I DON'T REA-
But it's SUMMER! This means VACATION you know!?
.....

Huh?
I'm going to borrow her for a bit.
Hold on...
Confused
Na-Natsume-san...
Umm...
Oh,
Sorry for being so sudden.

Since you looked a bit troubled.
Even though we're technically siblings,
We we're just strangers until very recently, of course you would feel uncomfortable wearing a bikini around us.
...Ema?

I'm fine with the bikini.
Besides, I wanted to try snorkeling too.
Thank you very much for your concern...
Will you teach me? Natsume -san?
I heard you were going to join us too.
Yeah, Sure thing.

Alright,
I'm going to change then.
.....
This is your punishment, Natsume.

What do you mean punishment?
It's your punishment for suddenly taking Ema away!
Don't say something so misleading.
Hey,
Didn't we all enjoy some good snorkeling together after that anyways?
You're heartless...
Whatever! You're still gonna prepare that barbecue by yourself, Natsume!

Hey! The most important ingredients are missing. Where's the meat!?
What!?
No way!
I guess you forgot to pack them, Tsubaki...
We'll borrow the manager's car, Tsubaki, you drive and I'll navigate
Ehhh
Alright, we're going to step out for a bit
Kazamatsuri
Hello...?
AHH SAAAAA HINAA

And by the way,
I said I was sorry...
It turned out to be a big hit, and now we're SUUUPER busy!
You know that event you were suppose to handle?
Just so you know, the person who went in your stead was Nishina -san.
Urg
"I'LL KILL HIM IF I COME BACK EMPTY HANDED."
That's what she said!
Say, Kazamatsuri...

What kinds of souvenirs,
Do you think women like?
Women? Forget that, it's gotta be booze if it's for Nishina-san, right?
Right, good call...
You better buy me some too!
I know, I know.
CLACK

Ema.
You're done changing?
Umm,
You seemed like you were in the middle of a call,
I'm sorry for interupting...
Oh no,
It just ended.
Ahh,
They went out to buy some stuff.
Turns out they forgot to pack the meat
Is it just me, or does she seem a bit down...?
Are you alone? Natsume -san?
What happened to Tsubaki and Azusa-san?
Alright then, I'll go prepare the other things, like vegetables first.
Right, about that...

They decided I should do the preparations alone.
Huh?
Well, it's kind of like...
My punishment for taking you away...?
You should take a break.
You seem tired anyway
Hey!
If you're being punished because of me...

Then I'll take the punishment along with you.
You're a hard working, aren't you?
Ehh?
In fact, you work too hard.

You should learn to rely on others.
Or else you're going to wear yourself out, you know?
But...
I've...
I've been relying on you, Natsume-san.
But anyways,
You're pretty skilled, Natsume-san.
She's been relying on me...?

That might be because I live alone and have to make my own meals.
But since I only cook for myself, I'm fairly mindless about what I make and how I make it.
I don't think you do it mindlessly at all.
I can't chop my vegetables that fast.
Ah,
This is a habit you see.
When I did relay racing, there were lots of training events like camping.
Back then, if you were too slow, the seniors would be furious.
Relay racing...? Is that like marathons?
Nope,

Relay racing is more...
Nevermind that, we've got to finish this first.
If Tsubaki and Azusa come back before we finish, they'll make a fuss and chew me out for sure.
Oh-yes, You're right...
Ouch!

Na-
Natsume -san.....
Flinch
That stings.
Did you cut yourself!?
LET ME SEE

My bad, I cut myself pretty often too.
My reflexes kicked in...
Since that's what I do everytime I slice my finger...
Why...
Did I think about that?

BA-DUMP
Why?

Softly trickling down her wound,
Is a blood different from my own.
It burns,
Why is it so hard to let go?
Thump
We're...
...Siblings...
Thump
Thump
And yet,

Terribly
hot.
